## Sponsorship of Young Sporting Talent

purrunna are committed to investing in the future of young sporting talent.

We are currently sponsoring Hannah Lloyd, a junior hurdling talent who has just moved from Under 15 to Under 17 for 300m hurdles. Her main aim for the 2008/9 season is to achieve the qualifying standard for the 300m hurdles to gain entry to both English Schools Championships in July and the National Athletics Championships in August. Her longer term goal is to represent Great Britain.
